## WORK EXPERIENCE

### Cyber Security Analyst D2Soft Intelligence

01/2023 - Present

#### Achievements/Tasks

- Proactively managed and secured 200+ endpoints, reducing security vulnerabilities and enhancing network performance.
- Assisted lead security team for daily operations and provided support for security-related issues.
- Participated in the deployment of patches, mitigating potential business risks due to system vulnerabilities.
- Conducted continual network monitoring, resolving weaknesses that resulted in a 20% improvement in system security.
- Worked with the security team on documentation and remediation efforts, contributing to the development of robust security policies and procedures.

### Jr. Information Security Analyst Camtel

01/2020 - 11/2021

#### Achievements/Tasks

- Operate within direction to incorporate Cyber Threat Intelligence tools like ThreatConnect and Cyber Security Awareness concepts into programs as necessary to address risk from internal and external threats.
- Employed VirusTotal for daily phishing inbox monitoring, scrutinizing and categorizing suspicious emails to further enhance security measures.
- Assisted in performing security scans, using tools like Nessus, to mitigate persisting vulnerabilities, resulting in an overall security posture improvement of 25%.
- Delivered training to 30+ team members on security protocols and best practices, leading to a decrease in security protocol violations.
- Participate in post-incident activities and contribute to lessons learned to improve security posture.

## EDUCATION

### B.S in Computer Networks and Cyber Security University of Maryland, Adelphi, MD

09/2021 - 12/2022

## SKILLS

Cyber Defense Methodology

Cyber Kill Chain

OSINT tools

Nessus

Networking Protocols

Python / Bash (Basic)

NIST Framework

HIPPA

OSI Layer

TCP/IP

## SOFT SKILLS

Positive attitude

Teamwork

Time Management

Problem Solving

Attention to detail

Flexibility

## INTERESTS

Philanthropy

Green Energy

Cooking

Traveling

Meditation

Hiking

## LANGUAGES

English

*Native or Bilingual Proficiency*
